

### **1:1 Assistant – Darnell School**

The Darnell School for Educational and Behavioral Services, a program of HMEA, provides intensive educational services to children age 9-22, with an autism spectrum disorder. The school operates under the frameworks of Applied Behavior Analysis (ABA) and is committed to using ABA's vast array of evidence-based strategies in our instructional and treatment plans. We are equally committed to the belief that every student we serve is valued and deserves the opportunity to achieve the goals he/she desires.

Responsibilities include:

- assist in the implementation of teaching strategies, instructional plans and behavior support plans.

Qualifications:

- Bachelor's Degree with relevant ABA experience
- Candidate must have a valid Driver's License, use of a reliable vehicle and be able to meet the acceptable driver status as determined by HMEA auto insurance carrier.

To apply please send resume and cover letter to:

Nicole Heidenheim, Educational Administrator
