

Lead Classroom Assistant – Darnell School

Come join a dynamic and forward thinking team that is committed to the success of our students. Our school operates under the frameworks of Applied Behavior Analysis (ABA) and is an ideal learning environment for those who are interested in pursuing a career in ABA.

Responsibilities include:

- assist in the development and implementation of teaching strategies, instructional plans and behavior support plans.
- case manage and provide parent training for assigned students.

Qualifications:

- Master's Degree in Special Education, ABA or related field with relevant ABA experience. Will consider B.A. candidates with significant experience
- Candidate must have a valid Driver's License, use of a reliable vehicle and be able to meet the acceptable driver status as determined by HMEA auto insurance carrier.

Benefits include generous paid time off, tuition reimbursement and supervision to meet the BACB requirements, health and dental insurance along with ample professional development opportunities.
