

## **Job Description: Behavior Specialist**

The Darnell School for Educational and Behavioral Services is currently seeking a passionate and energetic Behavior Specialist to provide ABA services in our school-based setting. The Behavior Specialist will be overseen by our Ph.D. level Clinical Director and responsible for writing and maintaining behavior support plans, updating plans based on findings from data collection and functional behavior assessment, collecting treatment integrity data and creating staff trainings based on results of data, providing direct ABA services to students in a 1:1 or 1:2 ratio, and working with Clinical Director to conduct research on new and innovative teaching strategies. Ideal candidates will have a master's degree in Applied Behavior Analysis or related field. BCBA or BCaBA preferred but not required.

### **Some of the great benefits we offer include:**

- X competitive pay
- X high quality health benefits
- X typical school day schedule
- X generous vacation time
- X small case load (maximum of 12 students)
- X tuition reimbursement
- X free supervision for those interested in pursuing a BCBA certification
- X opportunities for rapid growth within the company
- X supportive and collaborative environment

### **Minimum requirements:**

- X Bachelor's degree with BCaBA or those enrolled in a master's program
- X ability to perform all physical training requirements
- X clean driving record, valid driver's license, and use of a reliable vehicle

### **Interested candidates should send their resume directly to:**
