

Job Description: Speech Language Pathology Assistant

The Darnell School for Educational and Behavioral Services is seeking a creative and collaborative Speech Language Pathology Assistant (SLPA) to work in our ABA school with students with developmental disabilities. The SLPA, with guidance from our SLP Consultant, will create specific communication programs for our students according to IEP goals. The SLPA will be responsible for working directly with all students, monitoring progress of communication programs, and collaborating with head teacher and classroom staff to implement IEP objectives. The SLPA will also assist the SLP in conducting communication assessments as well as presenting at IEP and three-year evaluation meetings. Knowledge of both high and low tech AAC communication devices is a must.

Some of the great benefits we offer include:

- X competitive pay
- X high quality health benefits
- X typical school day schedule – up to 40 hours
- X generous vacation time
- X caseload of up to 30 students
- X professional development
- X tuition reimbursement
- X opportunities for rapid growth within the company
- X supportive and collaborative environment

Minimum requirements:

- X Bachelor's degree in Speech Language Pathology, Communication Disorders, or related field
- X Massachusetts SLPA license
- X Experience working with students with significant communication deficits

Interested candidates should sent resume directly to:

Stefanie Salome, Program Director
