

Job Description: Occupational Therapist (Part Time)

Our mission is to teach, support, and empower people with developmental disabilities and their families to live meaningful lives of their choice. Our vision is a world where individual differences are appreciated and celebrated, and where everyone contributes.

We believe that each person grows through their life experience and has the right to make his/her own life choices, including those that may involve risk. We support each person to discover their own dream for a meaningful life.

HMEA utilizes the best practices within areas of education, special education, behavior analysis, vocational services, and community inclusion in planning for both children and adults. Many of the programs' operating frameworks draw upon the guiding principles of Applied Behavior Analysis. These unique services are provided by highly qualified and trained staff.

The Darnell School is a small school with a supportive team atmosphere, that provides opportunities for growth and professional development.
