Head Teacher

- Opening for full-time Head Classroom Teacher (8am-4pm Mon-Fri)
- 221-day ABA school program serving students with autism and IDD
- Located in Hudson, MA

Who YOU are

- We are searching for a **motivated** and **driven** Head Teacher that enjoys working with students with autism and IDD and has a desire to **contribute** to their lives in positive ways.
- We are looking for a **passionate** TEAM member who is **committed** to making a difference every day.
- You will be responsible for up to **six students** in the class.
- You will work closely as a **team** with the Behavior Specialist and Case Managers to **conduct** educational, behavioral, and vocational assessments, **write** and **implement** IEPs, **monitor progress** on IEP objectives.
- You will *work directly* with students, *supervise* all classroom staff, *collaborate* with related service providers, and provide in-home *parent training* on a monthly basis.
- Ideal candidates hold a **Massachusetts license in Severe Special Ed K-12**, the ability to deliver instruction using the **principles of Applied Behavior Analysis**, experience in **supervising** classroom staff, and experience in serving students in community-based and vocational settings.
- If you are ready to be a **leader** in the field of ABA and work in a supportive and collaborative environment, come join us!

Benefits

- Small case load (maximum of 6 students)
- Laptop
- Paid trainings for all employees.
- Paid holidays & School Vacations
- Free supervision for those interested in pursuing BCBA certification
- Full benefits starting at 30 hours include Flex Time accrual for paid time off, as well as, health insurance, vision insurance, dental insurance, tuition reimbursement, discounted rates with other companies such as BJ's, and copay reimbursement opportunities.

Minimum Qualifications

- Master's Degree in Special Education, Applied Behavior Analysis, or related field
- Hold or be eligible for DOE teacher certification in special education pursuant to the requirements of 603 CMR 44.00
- Five years' experience working with children with autism, developmental disabilities, or other behavioral challenges
- Two years supervisory experience
- Valid driver's license and use of a reliable vehicle
- Ability to perform all physical training requirements
- Fully vaccinated against COVID-19
