

Classroom Relief Staff

The Darnell School for Educational and Behavioral Services is currently seeking bright and energetic Classroom Relief staff to work with our fantastic students. Relief staff will be responsible for delivering instruction using an ABA approach in a one on one or one on two format. Skills targeted in the classroom include functional academics, daily living, social and leisure, communication, vocational, and community safety skills. Classroom relief will implement programming and work under the direct supervision of the Head Classroom Teacher. Relief staff are utilized on an “as needed” basis. Shifts include full or partial days between the hours of 9am-3pm, Monday-Friday.

Some of the great benefits we offer include:

- X competitive pay
- X flexible hours within a typical school day schedule
- X opportunities for rapid growth within the company
- X supportive and collaborative environment

Minimum requirements:

- X High School Diploma
- X ability to perform all physical training requirements
- X clean driving record, valid driver’s license, and use of a reliable vehicle

At HMEA the health and safety of individuals we support, our employees, and the broader community is our top priority. Effective November 16, 2021, HMEA will require all employees to be fully vaccinated against COVID-19 (i.e. both doses of Pfizer or Moderna, or a single dose of Johnson & Johnson).

Interested candidates should send their resume directly to:
