

THE DARNELL SCHOOL

MAKING THE DIFFERENCE

Behavior Specialist Position

- Opening for full-time Behavior Specialist (8am-4pm Mon-Fri)
- 221-day school program serving students with autism and IDD
- Located in Hudson, MA
- Salary Range: \$62,000-\$77,000

Who YOU are

- We are searching for a **passionate** and **energetic** Behavior Specialist that enjoys working with children with autism and IDD and has a desire to **contribute** to their lives in positive ways.
- We are looking for **passionate** TEAM members who are **committed** to making a difference every day.
- You will be **supervised** by our Ph.D. level Clinical Director and will work closely as a **team** with Head Classroom Teachers and Case Managers as you help to develop and write Behavior Support Plans, collect treatment integrity data, and train classroom staff to implement programs and BSPs.
- You will review data, modify student programming and work with classroom staff to make adjustments to **ensure** student **success**.
- Ideal candidates will have a master's degree in **Applied Behavior Analysis** or related field, BCBA or BCaBA preferred, but not required.
- If you are ready to be a **leader** in the field of ABA and work in a supportive and collaborative environment, come join us!

Benefits

- Small case load (maximum of 12 students)
- Paid trainings for all employees.
- Paid holidays, school vacations & flex time
- Free supervision for those interested in pursuing BCBA certification
- Health Care Plan
- Dental Plan
- Vision Plan
- Tuition Reimbursement
- Copay Reimbursement
- Employee Assistance Program
- Discounted rates with other companies such as BJ's, AAA, etc.

Minimum Qualifications

- Master's Degree or in process to Master's Degree
- Driver's License
- Dependable Vehicle
- Ability to perform all physical training requirements
